

The Berkeley Institute "Weekly Times"

Week of October 7th, 2024

Our Mission Statement

"The mission of The Berkeley Institute, a diverse senior school with a rich heritage and tradition of excellence, is to ensure a stimulating learning environment that prepares all of its students to lead full and purposeful lives and to assume leadership roles in both the local and global communities."

Revised April 2019

Celebrating World Teachers' Day 2024

Principal's Corner:

Good morning, Berkeley Family!

I hope everyone had a restful weekend! Last Friday, we celebrated a wonderful World Teacher and Staff Recognition Day. It was heartwarming to highlight our amazing faculty and staff and to acknowledge them for their dedication and hard work. The Administration totally enjoyed hand-delivering treats and encourage any staff member to stop by the office today if we were unable to get to you on Friday. We have also left up the fun Photo Booth in the Upper Atrium for staff to capture special moments with each other or your students! Thank you to our wonderful Social Committee, who helped us to celebrate all of you!

We wish Admin Assistant to the Deputies, Ms. Ashaki Arnold, all the best as she moves on. She was a wonderful asset to our team and she will be missed. Ms. Stacy Lathan will join our team commencing October 14, 2024.

This week promises to be just as exciting, as we look forward to welcoming Dr. Javar Godfrey, who will be engaging with us throughout the week. Please see detailed email correspondence from Deputy Douglas that outlines the activities and amended schedules.

A friendly reminder that we have our school-wide ZOOM (925-914-3418) Assembly today at **10:05 a.m.**, where we will be discussing the activities and expectations for the week and we will be announcing our Head Prefects and Student Council representatives for the academic year 2024-2025. Be sure to join us as we celebrate our student leaders!

Wishing everyone a fantastic week ahead!

Valuing Teacher Voices

On Friday, October 4th 2024, The Berkeley Institute recognized World Teachers' Day. The theme for World Teachers' Day 2024 is "Valuing Teacher Voices: Towards a New Social Contract for Education". The theme focuses on the importance of listening to teachers and involving them in shaping educational policies and practices. Established in 1994, World Teachers' Day is an international day held annually on October 5th to celebrate the work of teachers. Deputy Douglas and The Berkeley Institute Social Committee organized a teacher appreciation day themed, "Growing Together Shining Brighter" recognizing how our teachers' and staff's dedication helps students grow into their fullest potential. Staff were treated to an array of 'naughty' and 'nice' snacks including": homemade cookies, candy bars, chips, sodas, apples, and ice-tea. Administrators delivered the above mentioned items to staff using a decorated delivery cart. Educators, we thank you for the role that you play in the development of students and society.
